

Valerie F. Lamb

September 5, 1949 - July 1, 2022

Valerie Frances (Steinhorst) Lamb, 72, of Harbor Beach passed away unexpectedly on July 1, 2022, at her home.

Valerie was born on September 5, 1949, to the late Norman and Mildred (Pelton) Steinhorst. She spent her early life in Port Hope. Valerie married Roger Lamb in Harbor Beach and together they raised five children. He preceded her in death on July 11, 2004.

Valerie spent most of her working years in the healthcare field. She was compassionate, kind, and always willing to lend an ear to those who wanted to talk. These are the qualities her family will miss the most. Valerie could often be found sitting at her dining room table or at her computer working on scrapbooks to preserve family history. She created several scrapbooks over the years that contain precious memories with handwritten captions and notes. She especially enjoyed cataloging the lives of her grandchildren. Valerie was an excellent cook and she was always looking for new recipes she could make and share with her family. She also enjoyed reading, traveling, watching the Detroit Tigers, and her roses. But the one thing Valerie enjoyed most in her life was time spent with her family.

Valerie is now reunited with her husband, Roger, parents Norman and Mildred, and in-laws Joseph and Lois Lamb, all who predeceased her.

She is survived by her children Brad Blanchard, Chris Blanchard, Terra (Gary) Booms, Lois (Mary Lou) Mangan-Lamb, and Roger Lamb II. She will be especially missed by her grandchildren Stephanie, Ashley, Moira, Brooke (Nick), Kendal, Danielle (Jason), Camryn (special friend Brady), Garrison, Mason, Declan, and Liam. She is also survived by her brother Ronald Steinhorst and several nieces and nephews.

Funeral Services for Valerie will be Tuesday, July 5, 2022 at 2 pm at the Ramsey Funeral Home of Harbor Beach, with Rev. Matthew Durance officiating. Burial will follow in Rock Falls Cemetery. Visitation for Valerie will be Tuesday, at the funeral home, beginning at 10 am until time of services at 2 pm.

Memories can be shared at www.RamseyFH.com

In lieu of flowers, please make a donation to the HB Lighthouse Preservation Society or the Port Hope Historical Society.

“ *The fondest memories I have of Val were of our family summer trips to the Steinhorst farm in Port Hope. When we were teens, Val would take me to hang out with some of her friends. They always referred to me as the “city girl”.*

Val was very loving and kind. She loved her family and was very proud of her kids and grandkids. I used to love seeing the great scrapbooks she made for each grandchild.

We didn't see each other often as adults; but our occasional trips to Port Hope always made it feel like no time had passed.

Rest In Peace, sweet Val. You will be missed. ❤️

“ *I will always cherish the memories of the summer visits with my parents to Grandpa Paul's farm in Port Hope when I was a kid growing up in the 50's. Being a city kid, those trips gave me a chance to see so many farm animals up close and personal. The horses and baby calves were my favorites. Valerie and brother Ron use to come over and we would spend the day together doing what kids do. I'm glad that I connected with Val on FB where we have had the opportunity to reminisce about those great times on the farm with our families. Being on FB has also given us the chance to share photos of our grandkids and especially the holidays. Val has left us, but she will live on in the hearts of all who knew her. Rest in Peace Val....Dick Jankowski*

“ Valerie and I never met in person, but we are family and both have a love for Genealogy/Family History, we shared and even though we didn't talk a lot on FB, we would send Birthday Wishes and say Merry Christmas. I will miss that and I am sorry for your loss. Prayers for her family. *Barbra Childers*

“ Brad, Chris, Terra, Lois and Roger: What a long time ago, but great memories at Grandma and Grandpa Lamb's house (then your dad and mom's). My memories of Val are such a lovely, friendly, happy, patient lady. She would have to be to work in health care and have all of you kids! Love you and thinking about all of you during this very sad time.
