“ *I will always remember Uncle Vic's smiles and kindness every time I saw him. Plus, the years I grew up on the farm and worked with Uncle Vic.*

It is comforting to know that Uncle Vic is no longer in pain. I know he is smiling and sitting beside God and all the special Angels who know him in Heaven. May God comfort all of his family during this very difficult time. I love you all!

“ *Some of my favorite childhood memories are of spending time with my grandpa: Rising before the sun to go fishing, making him bait the line because I was to girly and it was gross. Watching him scale the fish, while I looked on thinking that was the most disgusting thing in the world.*

Grandpa built furniture for our rooms at home, he built a swing set, and a see-saw for all of his grandchildren to enjoy when we visited. We played for many hours on these items that he built with love.

He was always working with his hands, always on the move and he always had a smile and a joke for everyone.

I looked up to this man, I loved this man, and he will forever be missed.

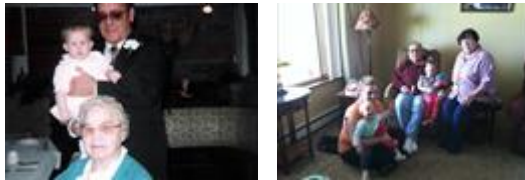

I love you Grandpa.
