“ *Carol, Vicky, Faith, Marcia and Sam,
So sorry to hear of Vic's passing. The two men in my life that I admired the most are my dad and Vic Ingram. Always remembered that Vic could do anything from fixing a watch to building an airplane. Fresh in my mind is when he built his Port Hope airport and I helped a little by picking up rocks. Sorry I can't be there in person to celebrate his life. Ray Wagner. (chiefwagner@hotmail.com)*
