Bill you are missed. So very much. I wish that you were here I miss talking to you. I miss seeing you. You went way to fast. We have the Cadillac scheduled to fix the door and mirror Monday. We got the brakes, rotors, hubs all fixed. They also cleaned the condensor and recharged he air. It was low. The chrome rims shine like chrome should now. It is beautiful once again. You would buy it when it is finished next week. LOL!!! We only have 3 female puppies left now. Plus the 1 male husky pup. He should sell fast when I advertise him. Every one says he is gorgeous. I don't show him yet to anybody. I sent the Pomeranian books to Charlotte. She has a red pom. I really miss you. Love you much always and forever.

I know that Billy is missing you probably even more than the rest of us. He hides his hurt a lot.
