“ *Bill was such a dear friend, helper and supporter of everything Harbor Beach. He was a great worker, loved people and someone who helped the Smith Family at Harbor Beach Variety and The Corner Store. I could have never managed the HB concession stands without his dependable and enthusiastic participation. His “Hellos” on the streets of HB, along with his smile will not be forgotten. You were a part of the specialness of our hometown, Bill! Good job!! Missing you!!*

“ I took a lot of shop classes in Harbor Beach, and Bill was the shop assistant and many of them. He always was in a good mood and was a good help in the shop. Always a nice guy. He will be missed by many people around town for everything he did to help people. A kind and gentle soul.
